FOOT- PRINT

ca. 60m²

Modular & Flexible

Incl. personnel
and material
airlock

Cleanroom Class ISO 7 for (partial) sale.
The walls are modular and can be flexibly
installed by Ritterwand GmbH & Co. KG.

3 FFUs (Filter Fan Units) ensure a
controlled, particle-free environment.
The cleanroom was used exclusively under
GMP-compliant conditions. All relevant
documentation (maintenance, validation) is
fully available.

An excellent solution for companies
seeking a reliable and compliant
cleanroom environment.
